

Human BINGO

Supplies Needed: Pens or pencils, worksheet (below)

Number of People: 10+

Directions:

- The paper will have a series of questions on it (in a bingo format - in squares)
- Participants are required to find another participant who can answer “yes” to a question
- They must have that person sign their name within the square
- The object is to meet as many people as you can, and fill a “BINGO!” (A complete line either horizontally, vertically, or diagonally)
- You can only use each participant once.

Note: The center square should be a freebie.
